Summary I am a motivated UI/UX Designer and Front-End Developer who is looking for an internship opportunity. I have strong interest in designing user-friendly interfaces and building responsive websites using modern front-end technologies. I enjoy solving problems, learning new tools, and creating clean and creative digital experiences.

Skills UI/UX Skills :

Education	Bachelor of Science in Computer Science University of ABC	Sept 2021 - Sept 2025
-----------	---	------------------------------

Projects	Baber App	October 2023 – Ongoing
	[https://baberapp.lk] [https://github.com/johndoe/baber-app]	
	An internal HR application development project for ABC (Pvt) Ltd. I’m working primarily on the front-end with ReactJS, NextJS and Typescript. I have made key contributions to help find effective solutions to certain challenges faced during the front-end development process.
